Success Story

At Easterseals New Jersey, impact isn't just measured in numbers; it's felt in stories. In a handwritten letter to Easterseals, one participant shared how support, encouragement, and opportunity helped them move beyond past challenges and believe in their future.

"Everything is working out great towards my achievements. I don't ever give up, but having a great support team makes all the difference as I work toward independent housing."

This simple quote is a powerful reminder: when people are empowered, they grow with confidence and purpose and we couldn't do it without you!

The Event

Tee It Up at Topgolf is a national Easterseals affiliate initiative that has grown from a successful local golf event into a premier fundraising experience enjoyed across the country. This year, Easterseals affiliates in multiple states will host Tee It Up, bringing together supporters for an evening of fun, community, and impact. Last year's event welcomed nearly 150 golfers for a memorable night in support of Easterseals' mission. The funds raised this year will help ensure that the homes and community spaces where the people we serve live, heal, and grow remain safe, welcoming, and equipped to support their independence and well being.

Event Schedule

5:00 PM - 6:00 PM: Mix & mingle while enjoying an open wine and beer bar.
